NEW ARRIVALS

AWAN

Within the WoodMotion wood-type tile collection we find Awan, a non-rectified porcelain tile that captures the traditional look of natural wood with all the advantages of stoneware. It comes in two different shades, with graphic variations piece by piece to reinforce its authentic feel.

AWAN MAPLE

AWAN ELM

ADENA GREY

The Adena is a porcelain stoneware collection that faithfully captures the textures of natural wood. Its appearance is further enhanced by an elongated format reminiscent of traditional parquet flooring. In addition, it has all the characteristics of porcelain: durability and resistance to knocks, scratches and damp, making the leap to any interior space in the home.

AMAZONIA

The Amazonia series is the ideal material for covering walls and floors with wood-like porcelain tiles. This collection is committed to a realistic aesthetic of wood in its purest state, resulting in pieces rich in contrasts and nuances that only enhance the spaces where they are placed. This imitation wood porcelain tile can be found in 22.5x90 cm format and in four matt shades to achieve beautiful walls.

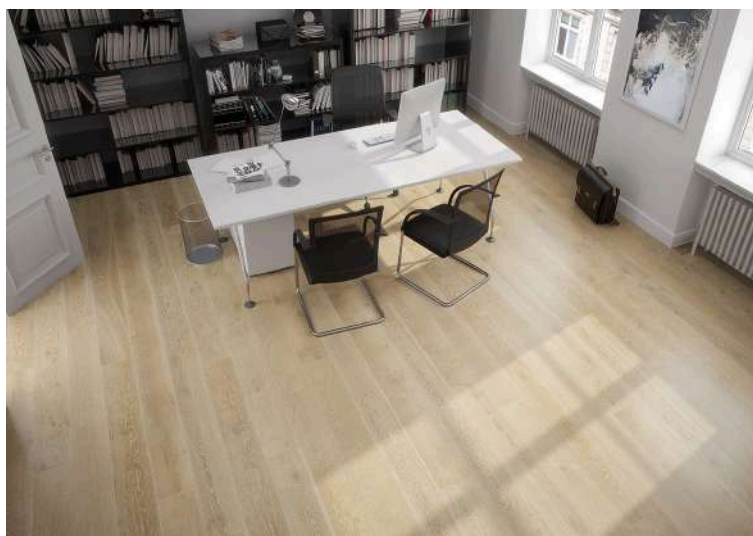

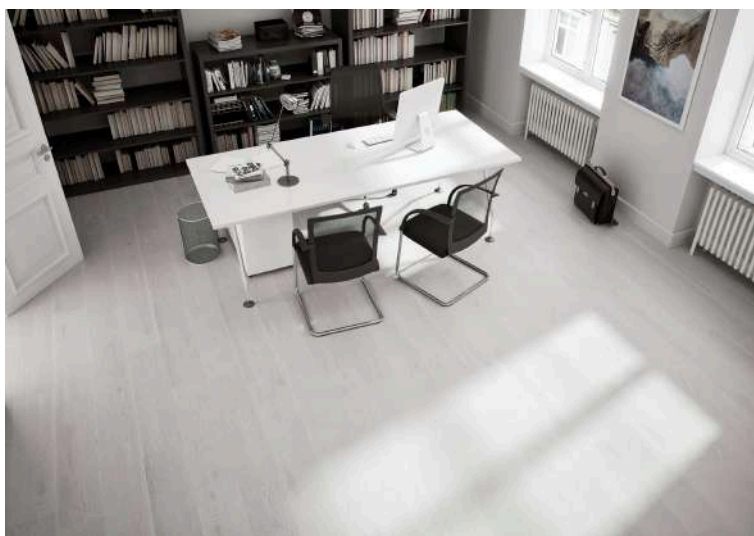

AMAZONIA GREY

AMAZONIA NATURE

ROVERE

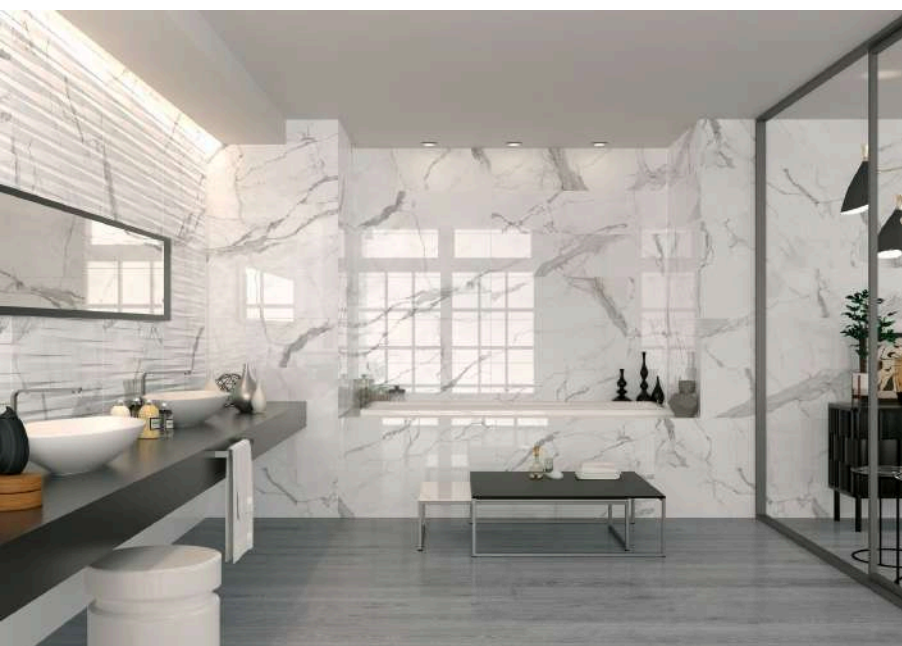

The best way to prevent our homes from becoming spaces without character is this selection of ceramic floor tiles with a lot of personality. The Rovere series is the answer to a challenge faced by all professionals and becomes the ideal material to achieve unique and cosy spaces thanks to its natural wood textures.

ROVERE PERLA

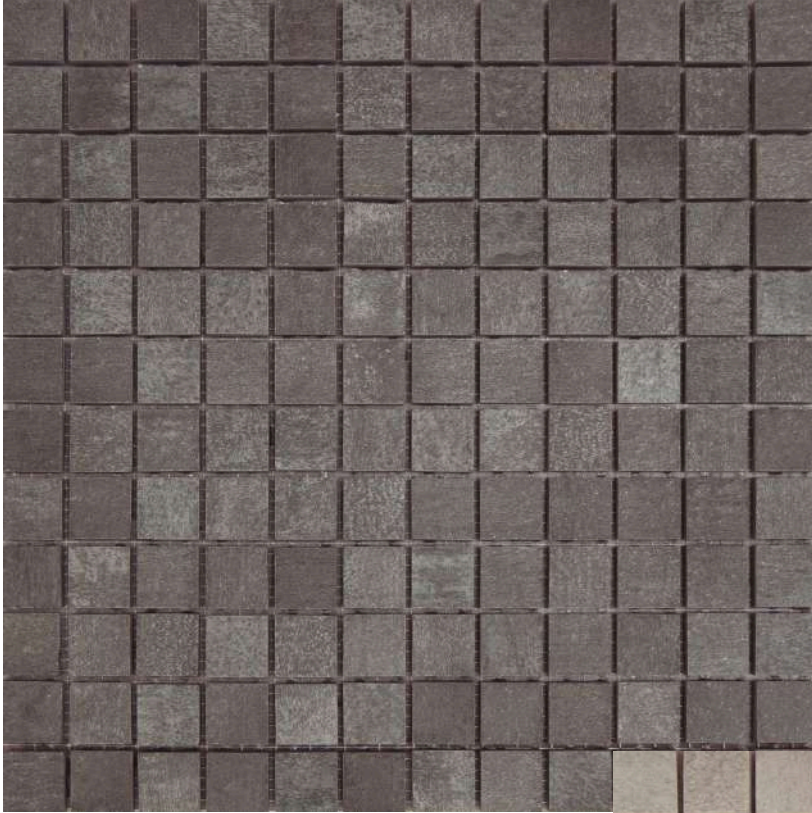

BLAZE NATURAL

Introduce the warmth and beauty of natural wood into your home with the Blaze Natural wood-effect tile from Spain. Measuring 15x90 cm, this tile features a realistic wood grain design, perfect for enhancing both floors and walls. The natural wood tone adds a touch of elegance and sophistication, making it an ideal choice for any interior style.

MALLA CONCEPT

The Malla concept features exquisite mosaic tiles that bring a unique blend of artistry and elegance to any space. These tiles are composed of small, intricately arranged pieces that create stunning patterns and designs, ideal for adding a touch of sophistication to walls and floors.

The mosaics are crafted from high-quality materials, ensuring durability and easy maintenance. With a variety of colors, shapes, and finishes available, Malla mosaic tiles provide endless design possibilities, making them perfect for personalized, stylish interiors.

MONESTIR

Our Monestir tiles, with their stunning stone effect, bring the timeless beauty of natural stone to any wall or floor. These tiles are meticulously crafted to mimic the texture and appearance of stone, offering a luxurious and sophisticated look without the high maintenance of real stone. Durable and easy to clean, Monestir tiles are perfect for both modern and traditional interiors. Available in various shades and finishes, they provide versatility in design, allowing you to create a unique and elegant space that stands the test of time.

SAVANNA

CREAM

Our Savanna Cream mosaic stone effect tiles combine the elegance of natural stone with the intricate design of mosaics, creating a visually stunning and sophisticated look for any space. These tiles feature a beautiful cream hue that adds warmth and a sense of tranquility to interiors. Crafted from high-quality materials, they are durable, easy to clean, and perfect for both walls and floors.

Designed to seamlessly grace both walls and floors. Crafted for durability and style, these versatile tiles offer the perfect solution for any room.

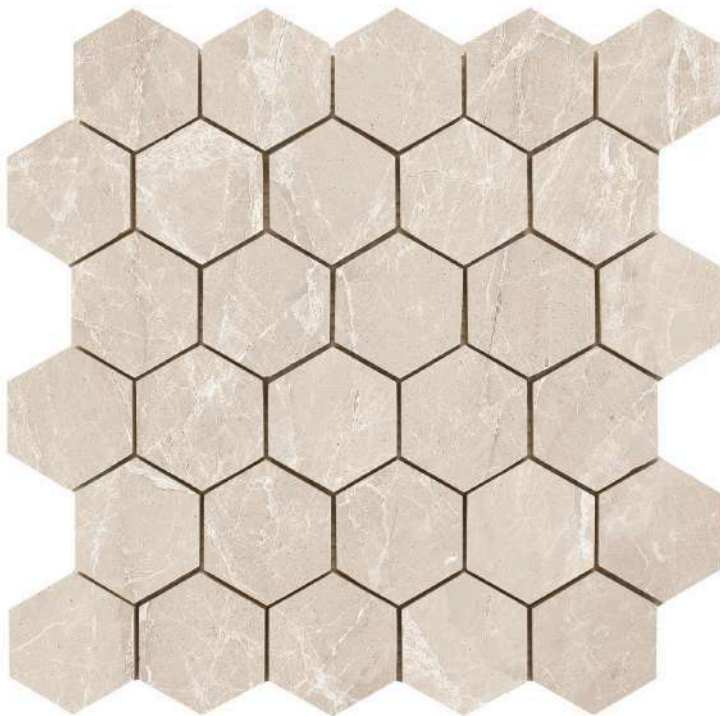

Inkjet technology for tiles ensures high durability and superior quality by applying detailed, vibrant designs that resist fading and wear. This method allows for precise, long-lasting patterns and colors.

2mm spacers for tiles ensure consistent grout lines and precise alignment, enhancing the durability and aesthetic quality of the tiled surface. They achieve a professional and long-lasting finish.

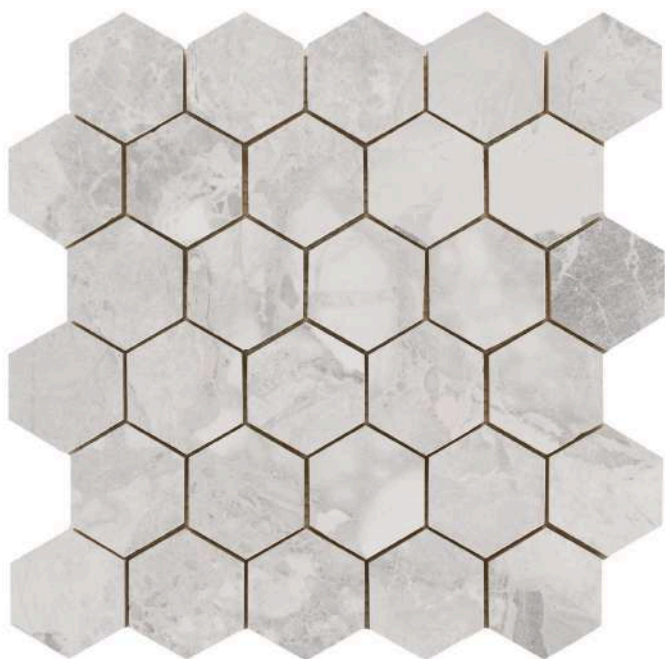

Tiles with a water absorption rate below 0.5% offer superior durability and moisture resistance, making them ideal for both indoor and outdoor use. These high-quality tiles ensure long-lasting performance in various environments.

REAL STONE

Our Real Stone mosaic stone effect tiles bring the authentic look and feel of natural stone into your home. These tiles feature a beautiful mosaic pattern that adds texture and depth to any space, perfect for both walls and floors. The realistic stone appearance provides a timeless and elegant look while being easier to maintain than actual stone. Crafted from high-quality materials, Real Stone tiles are durable and designed to withstand everyday wear and tear, making them an excellent choice for creating sophisticated and enduring interiors.

PURSUE GREY

Transform your space with the sleek and modern "Pursue Grey" tile, proudly crafted in Spain. Measuring 30x60 cm, this versatile tile offers a sophisticated grey hue that complements a wide range of interior styles, from contemporary to classic. Its durable construction ensures long-lasting beauty, making it perfect for both walls and floors.

ARCATA

STONE BEIGE

Arcata Stone is a collection distinguished by its natural intensity. The stone's natural hues create sober and special environments that transport us to the most remote places in the world.

The stone-effect tiles in this series come in two shades: beige and earth, along with a decorative piece with reliefs. When combined with other elements, they allow for the creation of rich, natural, and authentic spaces.

Inkjet technology for tiles ensures high durability and superior quality by applying detailed, vibrant designs that resist fading and wear. This method allows for precise, long-lasting patterns and colors.

2mm spacers for tiles ensure consistent grout lines and precise alignment, enhancing the durability and aesthetic quality of the tiled surface. They achieve a professional and long-lasting finish.
