TILES

Each tile tells a story of craftsmanship and elegance. Our diverse collection showcases a harmonious blend of style, durability, and functionality, perfect for transforming any space into a haven of sophistication. From classic designs to contemporary innovations, we invite you to explore our catalogue and discover the perfect tiles to elevate your project.

WOOD COLLECTION

Bringing warmth, style, and timeless charm into every corner of the home. Wooden tiles give you the beauty of natural wood with the strength and durability of tile, perfect for creating a cozy space that lasts.

ALMOND MATE

The tiles in the Mobile collection reproduce the aesthetics of wood with very marked veins that differentiate it from other collections. Its design contributes to easily enhance the personality of the floors of any project, whether commercial or residential.

VASEY OAK MATE

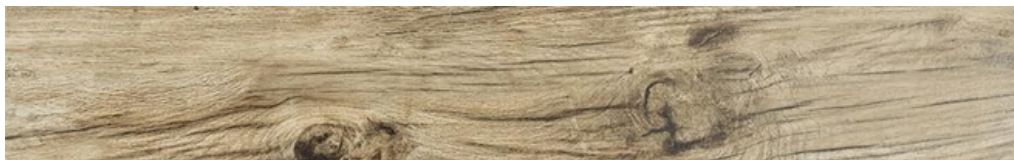

The tiles in the Vasey collection adapt to almost any environment thanks to their versatile brown shades and their fine, discreet grain design. They are suitable as flooring but can also be installed as cladding in the interior spaces of the home or project. Two different finishes complement its design to adapt it to the tastes or the space in which it is to be installed. In addition, it has all the advantages of porcelain, such as its great resistance and ease of maintenance.
